

'Kalam was started with one beautiful dream 'power of education for everyone'

We the people are the watchers among rest of the society who see little children picking garbage, washing utensils, begging and much more. But now the time has come to revolutionize the society. Kalam is an initiative to help these children to turn their life around. We at Kalam are creating awareness about importance of education to the children living in slums and on streets. This campaign was initiated by the students of Patiala's University and colleges under the moto 'Har Hath Kalam' as a step to provide education rather than alms in the hands who are going to shape the future of our nation. The family of Kendriya Vidyalaya 2, Armapur can proudly say that we are the first school in Kanpur to support this innovative campaign. In our vidyalaya an awareness campaign has been started by Kartikey Mishra of class XIth/D further supported by Aditya Singh, Shiva Raghav & Abhishek Chauhan to aware the students about the demerits and devastating effects of beggary, also to ask for support through the medium of social media without affecting the academic schedule. Special thanks to **Mr. M.M. Katiyar (Principal KV-2, Armapur), Mrs. Uma Tripathi (PGT, History) and Mr. Ashok Kumar (PGT Computer)** for their support, without them it was not possible to make this initiative successful in the vidyalaya.
